Characterization Office
M/S #025
North Las Vegas, NV 80036-0307

Dear Ms. Hanlon,

I oppose using Yucca Mountain as a nuclear waste dump. It would be a potential environmental disaster; the public comments to the Draft Environmental Impact Statement have not been addressed. Safe accident and terrorist proof transportation of the highly radioactive material is not possible. Please abandon this project and phase out the production of non-medical nuclear waste.

Sincerely,

Morley Schloss
